

Core Competency Scoring for MCC Assessing

Note: All scores are whole numbers with no fractional scoring allowed.

When using the 0 – 10 scaling, please consider the following descriptors:

The coach demonstrates effective and appropriate use of the core competency:

Scores of 0-1: never/minimal evidence of understanding of the core competency

Scores of 2-4: occasional evidence of awareness of the core competency

Scores of 5-7: often exhibits clear understanding of the core competency

Scores of 8-10: consistently exhibits clear understanding of the core competency

Listen for and find specific examples of evidence of the use of each competency.

Your ratings on the 0-10 scale should reflect the level of evidence you found.
